Are you raising money for Charity? Sponsoring for a good cause can get good exposure whether you are participating in a 5k muddy run, a walk down the coast, a midnight through the city centre and many more. We hope to do more Charity events like this soon. However, you could get involved by asking us to sponsor your chosen Charity event that you are partaking in soon. All we ask if you are happy for our logo to be featured on your Charity T-Shirt Sleeves on both sides, the cost to have them

printed to our printing suppliers are **£20** for each T-Shirt. In return for our goodwill gesture is for every person partaking in the Charity event will receive a Free Merchandise T-Shirt or a Vest of choice within 3 months after your Charity event (alternatively, as well as or not - you can have other Merchandises at 10% off if that is a Hoodie or a Jacket of choice). To proceed with this offer, we ask on request if your Charity T-Shirt's can be

arranged for us to pick up at your location so we can send this over to the printing suppliers at the earliest opportunity – ideally it needs to be at least 1 month in advance before your Charity event takes place, otherwise our logo's may not be printed on time subject to other orders they have to deal with if you ask us with very short notice. Our logo can be featured on the front or back on request, which the price as advertised may change. If you are organising this with a different printing supplier and wish to have our logo printed on your Charity T-Shirt for your event, please ask us on request with a suitable donation (subject to agreement), although the offer for a Free T-Shirt or Vest from our Merchandise will not apply. Any other requests to have our logo featured for your Charity event, please ask!

In return for us as a business, your local sports team or individual athlete status will gain exposure on our Monthly Newsletters and social media pages to our customers and followers during the season/year of your venture with us.

Our previous sponsor was with Longham FC back in 2020 during the COVID pandemic. Which we have been featured on a banner during a football match – as seen to the right. We look forward to working with you as a partner very soon.
