

CHARITY AND TEAM/INDIVIDUAL SPONSOR

Charity Sponsor

Are you raising money for Charity? Sponsoring for a good cause can get good exposure whether you are participating in a 5k muddy run, a walk down the coast, a midnight through the city centre and many more. Our success in 2019 came at the Box-2-Beat Cancer Boxathon Event where we have raised over £1700 for Ovarian Cancer Action on Sunday 7th July at Dereham Neatherd High School. We hope to do more Charity events like this soon. However, you could get involved by asking us to sponsor your chosen Charity event that you are partaking in soon. All we ask if you are happy for our logo to be featured on your Charity T-Shirt Sleeves on both sides, the cost to have them

printed to our printing suppliers are **£20** for each T-Shirt. In return for our goodwill gesture is for every person partaking in the Charity event will receive a Free Merchandise T-Shirt or a Vest of choice within 3 months after your Charity event (alternatively, as well as or not - you can have other Merchandises at 10% off if that is a Hoodie or a Jacket of choice). To proceed with this offer, we ask on request if your Charity T-Shirt's can be

arranged for us to pick up at your location so we can send this over to the printing suppliers at the earliest opportunity – ideally it needs to be at least 1 month in advance before your Charity event takes place, otherwise our logo's may not be printed on time subject to other orders they have to deal with if you ask us with very short notice. Our logo can be featured on the front or back on request, which the price as advertised may change. If you are organising this with a different printing supplier and wish to have our logo printed on your Charity T-Shirt for your event, please ask us on request with a suitable donation (subject to agreement), although the offer for a Free T-Shirt or Vest from our Merchandise will not apply. Any other requests to have our logo featured for your Charity event, please ask!

Team/Individual Sport Sponsor

Are you a local Football Team (or any sport) that you wish to have our logo as the sponsor for the season? Or are you an Individual Athlete or a coach for a local Athletics Club (or any sport)? We will be happily enough to be featured for an aged group team from Youth, Senior or Veteran level. Including an athlete who is travelling up and down the country competing at county, regional or national level to get as much exposure out on the field on your T-Shirts, Billboards, etc. Any proposals of your sponsorship offer will need to be sent in writing to info@breakingrecordsfitness.co.uk before we agree to anything further.

All we ask as a business to promote #BreakingRecords Fitness during the season/year of your venture in your sports club or an athlete is an initial payment of £100* (subject to agreement if you are happy to have your sponsorship proposal price deducted) and in return to gain as much exposure on social media, etc with #BreakingRecords to your Members and followers. You receive of the following:

- Free Merchandise (For a Team would be 1 Free T-Shirt for each Player participating for the season*. For an individual would be 1 Free T-Shirt, Vest, Hoodie and Rain Jacket of choice)
 - *Subject to team size for us to sponsor for the season which pricing may subject to change
- Offering 10% Off Discount Merchandise to your Members and followers to advertise, see official pricing for our Merchandises
- Fitness Classes to advertise to your members at discounted price for Block Bookings, Session Passes and PAYG (bookable online only, codes will be emailed in advance, Terms apply)
- Discounted Personal Training 1:1/Group use (application on request will apply)
- Yearly Memberships to Sign Up with no Joining Fee (usually £20)

And the best part, the more discounts your members and followers gain during the season/year with us purchasing our services above, the more it'll add up to help us continue the retention of us sponsoring you for future years whether that is the initial payment to be renewed at no cost or discounted! In return for us as a business, your local sports team or individual athlete status will gain exposure on our Monthly Newsletters and social media pages to our customers and followers during the season/year of your venture with us.

Our previous sponsor was with Longham FC back in 2020 during the COVID pandemic. Which we have been featured on a banner during a football match – as seen to the right. We look forward to working with you as a partner very soon.

*Initial pricing for the season/year may change at any time subject to popular demand
